3 “(a) STANDARD OF PROOF.—(1) In the case of any
4 veteran who claims that a covered mental health condition
5 based on military sexual trauma was incurred in or aggra-
6 vated by active military, naval, or air service, the Sec-
7 retary shall accept as sufficient proof of service-connection
8 a diagnosis of such mental health condition by a mental
9 health professional together with satisfactory lay or other
10 evidence, in accordance with subsections (b) and (c), of
11 such trauma and an opinion by the mental health profes-
12 sional that such covered mental health condition is related
13 to such military sexual trauma, as specified in subsection
14 (f), notwithstanding the fact that there is no official record
15 of such incurrence or aggravation in such service, and, to
16 that end, shall resolve every reasonable doubt in favor of
17 the veteran.

18 “(2) Service-connection of such covered mental health
19 condition may be rebutted by clear and convincing evi-
20 dence to the contrary.

21 “(3) The reasons for granting or denying service-con-
22 nection in each case shall be recorded in full.

23 “(b) NONMILITARY SOURCES OF EVIDENCE.—(1) In
24 carrying out subsection (a), the Secretary shall ensure
25 that if a claim for compensation under this chapter is re-
26 ceived by the Secretary for a covered mental health condi-

1 tion based on military sexual trauma, evidence from
2 sources other than official records of the Department of
3 Defense regarding the veteran's service may corroborate
4 the veteran's account of the trauma.

5 “(2) Examples of evidence described in paragraph (1)
6 include the following:

7 “(A) Records from law enforcement authorities,
8 rape crisis centers, mental health counseling centers,
9 hospitals, and physicians.

16 carrying out subsection (a), the Secretary shall ensure
17 that evidence of a behavior change following military sex-
18 ual trauma is one type of relevant evidence that may be
19 found in sources described in such subsection.

20 “(2) Examples of behavior changes that may be rel-
21 evant evidence of military sexual trauma include the fol-

8 DENCE.—The Secretary may not deny a claim of a veteran
9 for compensation under this chapter for a covered mental
10 health condition that is based on military sexual trauma
11 without first—

12 “(1) advising the veteran that evidence de-
13 scribed in subsections (b) and (c) may constitute
14 credible corroborating evidence of the military sexual
15 trauma; and

16 “(2) allowing the veteran an opportunity to fur-
17 nish such corroborating evidence or advise the Sec-
18 retary of potential sources of such evidence.

19 “(e) ROLE OF LAY STATEMENTS.—In a case where
20 evidence described in subsection (b) or (c) is unavailable,
21 and the only evidence of the occurrence of the military
22 sexual trauma is the veteran’s own lay statement, the Sec-
23 retary shall accept such lay statement as credible evidence
24 the event occurred, unless such statement is inconsistent
25 with the places, types, and circumstances of the service

1 of the veteran, including evidence of the veteran's unit as-
2 signments, military specialty, or dates and locations of
3 service, or unless there is clear and convincing evidence
4 to the contrary.

5 “(f) REVIEW OF EVIDENCE.—(1) In reviewing a
6 claim for compensation described in subsection (a)(1), for
7 any evidence identified as part of such claim that is de-
8 scribed in subsection (b) or (c), or if subsection (e) applies,
9 the Secretary shall submit such evidence to such medical
10 or mental health professional as the Secretary considers
11 appropriate, including clinical and counseling experts em-
12 ployed by the Department, to obtain an opinion as to
13 whether it is at least as likely as not that there is a nexus
14 between the military sexual trauma and any diagnosed
15 covered mental health condition.

16 “(2) In the case of any veteran who submits with the
17 claim for a covered mental health condition a lay state-
18 ment describing the military sexual trauma, such veteran
19 shall be provided with a medical examination and opinion
20 as described in paragraph (1) without delay for request
21 of records specified in subsections (b) and (c) from the
22 veteran.

23 “(3) For any veteran described in paragraph (2), if
24 the medical examination and opinion do not result in a
25 diagnosis of a covered mental health condition and a posi-

1 tive opinion that the military sexual trauma is related to
2 such diagnosis, the Secretary shall request the records
3 specified in subsections (b) and (c) and, if such evidence
4 is received, paragraph (1) shall again apply and a subse-
5 quent medical examination and opinion shall be requested.

6 “(g) POINT OF CONTACT.—The Secretary shall en-
7 sure that each document provided to a veteran relating
8 to a claim for compensation described in subsection (a)
9 includes contact information for an appropriate point of
10 contact with the Department.

15 “(i) RULE OF CONSTRUCTION REGARDING APPLICA-
16 TION TO NONSEXUAL PERSONAL ASSAULT.— The Sec-
17 retary shall not construe this section as supplanting the
