Gen. Thomas Rienzi's (Ret) Testimony

TESTIMONY: SENATE COMMITTEE ON VETERANS' AFFAIRS.

TO Hawaii Vets:

As the Chairman of the ?Hawaii VA Council? for the Pacific Ocean area, I state that the VA/ Military Hospitals on Tripler Hill is the best in the world. It serves our 100,000 veterans in a superior manner. Additionally, the VA staff is well-organized to capably serve our veterans promptly and effectively.

With the help of Secretary Max Cleland, we combined the VA and military hospitals to be like one in caring for our personnel.
